

Steel Stove Contura C590T Style, black color,with soapstone (298090,803454,698965)

Product code: Z4NIB-301348
Brand: Array
Category: Wood burning stoves > Steel stoves

PRICE : €5,330.00

About the product

Manufacturer:
Country of origin:
Height, mm: 1544
Width, mm: 542
Depth, mm: 463
Power (kW) to: 5
Efficiency class:
Efficiency: 80
Made of:
Color:
Decoration:
Fuel type:
Chimney diameter, mm:
Shape of glass:
Heating (cooling) area (m2) to: 120
Warranty, year: 5
Purpose:

Description

“NIBE Heating” - the market leader of wood-burning stoves in Sweden. The products of this company are famous for their quality and efficient combustion technology.

The body of the stove is covered with soapstone, which accumulates and emits gentle heat to the environment after the wood has finished burning.

Specificities:

- clean glass system - thanks to more efficient fuel burning technology, the fireplace core is particularly economical, soot formation - minimal;
- stove meets the particularly high environmental requirements and low emission standards, regardless of the heating capacity;
- firewood logs used for heating - up to 33 cm length length;
- heating capacity - up to 120 m²;
- doors are made from cast iron;
- the combustion chamber is covered with vermiculite bricks;
- Combustion air is supplied from outside or from a nearby room. This way, the air in the stove always stays fresh;
- moving grates and the ash box;
- the stove is connected from top or from the back;
- diameter of connection for air intake from outside: 67 mm.
- adjustable power: 3-7kW.

The stove body has a 5-year warranty.
