About the product

Manufacturer:

Country of origin:

Height, mm: 1000

Width, mm: 210

Depth, mm: 210

Made of:

Item type:

Warranty, year: 2

Description

The stainless steel mesh is designed to be installed on the chimney in order to cover it with stones. Covering a single-walled chimney with stones not only increases the number of stones and thus allows longer use of the heated sauna, but also reduces the amount of heated exposed metal surface.
