

Hot water heater Galmet SGW(S) Tower Grand, 300L, heat exchanger area 2.7 m²

Product code: B4GLM-26-308107N

Brand: Array

Category: Water heaters > Indirect water heaters

PRICE : €1,128.59

About the product

Manufacturer:

Country of origin:

Height, mm: 1615

Width, mm: 670

Depth, mm: 670

Efficiency class:

Made of:

Item type:

Water volume, ltr: 297

Mounting type:

Max. working pressure, bar: 10

Warranty, year: 2

Description

The high-speed water heater is intended for use in combined heating systems. Especially suitable for installation with heat pumps.

The inner container is enameled with EXTRA GLASS® enamel, which accurately covers the entire inner surface of the container. The enamel layer is fixed by heating it at a temperature of 850 degrees, so the coating is extremely durable.

Additional protection with replaceable magnesium anode.

Hydraulic connections are located at the back of the water heater - convenient installation and daily use of the heater. There are also connections for the heat pump sensors and the circulation pump.

Heat exchanger of increased surface - 2.7 m².

Maximum working temperature - 95°C.

Adjustable legs to keep the container stable on uneven floors (25-40mm)

Heat exchanger power (80/10/45°C): 64kW

Heat exchanger power (80/10/60°C): 55kW

Heat exchanger power (50/10/45°C): 19kW

Possibility to install an electric heating element.

A thermometer is integrated into the body.
