Height, mm: 212

Width, mm: 228

Depth, mm: 520

Color: balta

Mounting diameter: 125

Item type: Lauko grotelēs

Warranty, year: 24

Description

The combi box can be used as a combined fresh air intake / exhaust air in places where the return grid over the roof is not possible and the return in the outer wall is not a nuisance.

The combi box is designed in such a way that the fresh air intake and exhaust air are well separated to avoid mixing air.

The combo can be rotated 180 ° so it can be used as both right and left variant.
