Product code: Z6DAR-RO150CH-DR-B-S

Category: Fireplaces and stoves > Fireplace grille, air distribution devices

PRICE : €110.40

About the product

Manufacturer: Darco

Height, mm: 470

Width, mm: 150

Depth, mm: 150

Color: chromo

Item type: Gaubtas

Warranty, year: 24

Description

Rotowent Dragon is a chimney cover made of chromed sheet 1.4301, which increases the draft of the chimney when it rotates in the wind. The nozzle always turns against the direction of the wind, regardless of its strength. Thanks to a special, patented ball-bearing rotation system mounted on the outside of the cover, the maximum temperature can reach up to 500 °C.
