About the product

Description

SPARTHERM supplies modern, durable fireplace inserts featuring winning technology and design. Linear provides a clear framework without itself being dominant, on the basis that the fireplace insert should show off the fire to best effect, and not the other way round. Maximum functionality combined with stylish, modern elegance has always been our aim.

Main characteristics:

- door function: elevating;
 - door height: 371 mm;
 - Pre-heated combustion air keeps windows clean;
 - actuating lever for control of the combustion air. Cleverly designed and discreetly located for ease of use;
 - body made of 3-4 mm thickness corrosion resistance steel;
 - combustion chamber lining made from heat-resistant fire clay.
- 5 year warranty for the fireplace casing.
